Fresh Lifelines for Youth

*With your support, I am becoming **MORE** than my mistakes*

YOU help FLY youth become *MORE!*

Every year, Showcase and Taste of Fresh Lifelines for Youth bring our youth together with supporters like you in a **celebration of the amazing generosity that makes FLY's work possible.**

FLY works with the most at-risk and disadvantaged youth in Santa Clara, San Mateo, and Alameda counties to help them get off probation, engaged in school, and back on track with their lives. At Showcase and Taste of Fresh Lifelines for Youth, their **personal testimonials will give you an insider's view** of how our youth accomplish these goals.

Please join us at one or both events so **we can thank you personally** for believing that all our children deserve a chance to become *MORE* than their mistakes!
