**AB  
702**

AB 702 (Jackson), the Promoting Youth Success and Empowerment Act (PROMYSE Act), is co-sponsored by FLY. The bill would help California fully realize the Juvenile Justice Crime Prevention Act's vision of providing collaborative, restorative, community-based services for young people and ensuring equitable representation and decision-making within county oversight bodies. [Fact Sheet](#)

**AB  
1643**

AB 1643 (Bauer-Kahan) will raise the informal supervision threshold from \$1,000 to \$5,000, allowing more youth to access informal supervision and take advantage of the program's benefits, allowing the harm caused by low-risk youth to be addressed outside of the formal juvenile justice system. # LEGISLATIVE PRIORITIES

**AB  
505**

AB 505 (Ting) would ensure that the Office of Youth and Community Restoration (OYCR), the state's first and only health-focused youth justice office, has the tools it needs to protect youth from abuse and continue California's youth justice system transformation that began in 2020.

[Fact Sheet](#)

**AB  
912**

AB 912 (Jones-Sawyer) reinvests \$235 million of cost savings from prison closures into programs that reduce violence, provide diversion opportunities, and deliver critical community supports, including mental health, education, and vocational services.

[Fact Sheet](#)

**AB  
60**

AB 60 (Bryan) will require that survivors and victims of harm receive notice of the availability of community-based Restorative Justice programs and processes in their community.

[Fact Sheet](#)

**AB  
958**

AB 958 (Santiago) establishes personal visits for incarcerated people as a limited civil right rather than a privilege and ensures that revoking visitation rights are limited to special circumstances.

[Fact Sheet](#)

**SB  
274**

SB 274 (Skinner) seeks to improve student success by creating a more supportive academic environment and encouraging schools to consider alternatives to suspensions and expulsions by eliminating the "willful defiance" suspensions and expulsions.

## POLICING & COMMUNITY SAFETY

**SB  
50**

SB 50 (Bradford) will limit law enforcement's ability to use minor, non-safety-related traffic infractions to conduct racially biased pretextual stops. [Fact Sheet](#)

**AB  
93**

AB 93 (Bryan) will prohibit police officers from pursuing searches that are based solely on a person's purported consent rather than evidence of illegal activity. [Fact Sheet](#)

**AB  
762**

AB 762 (Wicks) would reauthorize the CalVIP Grant Program, which provides the structure and framework for an evidence-based focus on supporting community-based violence intervention and prevention services in communities most impacted by cycles of violence across California. [Fact Sheet](#)

**AB  
28**

AB 28 (Gabriel) would sustain critical but temporary investments California has made in violence intervention and prevention programs by placing a surtax on the firearm industry to fund programs that effectively remediate the devastating human toll their products take on families and communities across the state.
