

EMPOWER YOUTH. TRANSFORM FUTURES.

Partner with FLY to invest in youth futures and your community.

WHY FLY?

Youth incarceration is costly and ineffective, more than \$400K per youth annually.

FLY programs change the story: at less than 1/10th the cost, we reduce recidivism, keep youth in school, and develop the next generation of leaders.

Examples of what your support makes possible:

\$5,000

Covers the cost of a field trip to a local university for up to 100 FLY youth

\$15,000

Funds one of FLY's law-related education sites for up to 25 middle schoolers

\$30,000

Provides 1,200 hours of paid professional development for FLY Alumni
